Wait... What was that...

By Jan

One afternoon I was doing my homework...
When I heard something weird coming from outside...
It's the neighbor! What on Earth is doing out there?
I couldn't stop thinking about it all night.
He must be...
The next day...
No... He can't be a.... Today I will go again to look
Later, in the night...
Looks like there's no one here...
HUH!
What?...
I'm... On a basement?
Look! There's a box!
A shovel!
Come on...

Finally! I'm almost out!
CRASH
grshbsh
No!!
Run little legs!!!
kshkgn
Look! The police!
Relax little boy, let's go to see his house
My neighbour!... Is a monster!... He has blood... And he also can't speek!!
I hope this is only a joke...
Sir, next this park
Wait...
?
Look, here lives.... But i can't see any house...
Little boy, no one lives here for 500 years...
So... Who was that men?
The end... Probably?
